TERMS OF CLEARANCE: While OMB acknowledges FSA's efforts to be more transparent and accurate by correcting burden totals that were originally requested in 2008, OMB has requested that the Department characterize the change of 6,076,126 hours as a program change due to agency discretion versus an adjustment since it was originally an oversight issue by the Department to submit the underestimated totals. The true burden associated with the change in agency discretion is now reflective in the new burden estimates for FSA's 2011 P RA request for approval of 1845-0019.
